What is Pure Water Monterey?

Pure Water Monterey is a groundwater replenishment project that will provide a safe, environmentally sustainable and economically responsible water supply for years to come. It is a regional solution to a regional issue, supplying pure water to the Salinas Valley and the Monterey Peninsula.

Why Pure Water Monterey?

SAFETY

Advanced water purification technology is used throughout the world to provide clean drinking water

ENVIRONMENTALLY SENSITIVE

- Minimizes the amount of discharge into the Monterey Bay National Marine Sanctuary
- Uses less energy than desalination
- Improves water quality in the Seaside Basin
- Protects against seawater intrusion

ECONOMICALLY RESPONSIBLE

Pure Water Monterey is locally owned and managed by a public partnership ensuring transparency and a competitive cost
